

little kids education redesigns company childcare.

With us, you as an employee parent have the choice between childcare close to home and childcare close to work. We offer the optimal location for every family situation.

Newly conceived, company childcare is advantageous for families and fully in line with the trend.

FREE PLACES - registration still possible!
Daycare centre opening from September 2021

We stand for

Respect
Bilinguals Environment
Education Learning

Pedagogy Values Healthy diet
Tolerance Individual support
Adventure

Little
people in
good
hands

Your advantages:

- No place search: Currently approx. 20,000 missing day care places in Munich
- More money in the family coffers
- Work and family more compatible through opening hours oriented to working hours
- High quality of care, security and individual support through small group sizes (max. 12 children per location)
- Short distances thanks to free choice of location
- Bilingual language support for the children
- Quality management
- Modern and well-equipped rooms according to the latest pedagogical findings
