

**Little Kids Education is rethinking and redesigning workplace childcare:
With us, parents can choose between a childcare spot near their home or their workplace.**

Benefit from our successful concept:

- **Salary increase:** At Little Kids Education, you'll earn more than before. You deserve it!
- **Quality over quantity:** Work in a small facility with a maximum of 12 children per location.
- **Favourite colleague:** At Little Kids Education, it's not just about where you work, but especially with whom.

This is what we stand for:

Tolerance
Respect Nature Learning
Bilingual Creativity Adventure
Education Security
Environmental Loving
Values Pedagogy Healthy
Individual nutrition
Promotion Play

Little people in good hands.

Are you interested in joining us as an educator, early childhood teacher, childcare worker, childminder, native speaker, or similar?

These are your benefits:

- **High educational quality** – With a small group of 12 children (no more), you can provide individualized support and nurturing care.
- **Want to get creative?** With us, you can actively participate and shape various areas according to your strengths and preferences.
- **Great working atmosphere** – We offer modern, tastefully designed spaces that create a pleasant work environment.
- **We support your growth** – Together, we'll help you build your professional future.
